

WELCOME MESSAGE

Jermaine Galloway

AKA The Tall Cop

Welcome to the J. Chad Professional Training 2026 Course Catalog!

We're excited to present our lineup of expert instructors, dedicated to educating professionals and communities on the latest drug trends, signs of abuse, and strategies to enhance community safety and awareness. Our team consists of seasoned professionals, each bringing a wealth of experience and unique perspectives on substance use prevention, law enforcement, and community-based solutions.

All Tall Cop Speakers Network presentations are vetted and approved to ensure accuracy, relevance, and real-world application.

Each of our courses is designed to provide comprehensive, up-to-date knowledge that's easily applicable in real-world situations. Whether you're a law enforcement officer, educator, community leader, or parent, The Tall Cop Speakers Network has a class tailored to meet your needs.

We look forward to helping you and your community take important steps toward a safer, healthier environment. Welcome to the Tall Cop family!

Featured Speaker

JERMAINE GALLOWAY

Texas

Officer Galloway, known as the Tall Cop, has dedicated over 20 years to substance abuse prevention and education. After a basketball career and earning a Sociology degree, he served as a law enforcement officer for 18 years. In 2007, he founded Tall Cop Says Stop™, conducting trainings in various regions, including the US, Canada, and Bermuda.

Tall Cop focuses on "boots on the ground" work, highlighting drug culture in communities and has trained over 1,000,000 professionals and community members. He has conducted over 10,000 community scans to identify drug culture and climate. His program, "High in Plain Sight," provides training and strategies for addressing community substance abuse issues.

Galloway has contributed articles in numerous publications, been cited in books, and featured in numerous media interviews nationwide.

His high-energy, engaging classes deliver a dynamic and memorable learning experience for every attendee.
