Mark Baxter

SPEAKER & COACH

MEDIA KIT

Hi, I'm Mark!

SPEAKER & COACH

I am an active police officer with more than 25 years of law enforcement experience and currently serve as a detective specializing in counterfeit identity document investigations and alcohol-related offenses. Throughout my career, I have trained police officers, police recruits, and community members on how to detect and prevent the use of counterfeit identification documents.

My passion is helping organizations and individuals recognize the tactics used to create and use fake IDs while providing practical strategies to reduce underage access to alcohol. Through persistence and proactive enforcement, I have prevented more than 3,500 alcohol sales to minors and have helped seize thousands of counterfeit identification documents. I am committed to sharing real-world experience and actionable knowledge that empowers others to better protect their communities.

FEATURED MEDIA

SPEAKING TOPICS

- Discover the most up-to-date trends in fake ID use, proven techniques for validating IDs and the people presenting them, and practical exercises to examine ID security features.
- Tactics such as quickly identifying commonly counterfeited security features, analyzing physical and behavioral clues, and recommended questioning techniques will be discussed.
- Attendees will learn how to incorporate use of the various tools and methods of checking identification, from the most basic to the most accurate technology currently available.

Client Testimonial

“Mark Baxter delivers practical, real-world training that officers can immediately apply in the field. His expertise in counterfeit identification documents is second to none, and his presentation gave our team the confidence to identify fraudulent IDs more effectively. This is training every law enforcement agency should experience.”

Mark Baxter

TALL COP SPEAKERS NETWORK

Whether I'm training frontline employees or experienced investigators, my goal is to provide practical, real-world strategies that help identify counterfeit IDs, reduce underage alcohol access, and strengthen community safety. No matter the audience, I provide practical, real-world strategies to identify counterfeit IDs, strengthen compliance, and reduce the risks associated with fake identification.

WHO I WORK WITH

I work with law enforcement agencies, alcohol beverage control (ABC) agencies, retailers, bars and restaurants, colleges and universities, community coalitions, and government organizations that are committed to preventing underage alcohol access and improving public safety. My training is designed for everyone from frontline employees and investigators to school resource officers, compliance teams, and prevention professionals.

WHAT YOU CAN EXPECT

My presentations are designed for organizations and professionals responsible for preventing underage alcohol sales, identifying fraudulent identification documents, and protecting public safety.

Whether I'm training frontline employees or experienced investigators, my goal is to provide practical, real-world strategies that help identify counterfeit IDs, reduce underage alcohol access, and strengthen community safety.
